### Freelance Frontend Developer

December 2021 - Present (3 years 4 months)

Remote

As a skilled freelance front-end developer, I collaborate with companies to build responsive, user-friendly web applications. I specialize in creating intuitive interfaces using HTML, CSS, and JavaScript, ensuring seamless user experiences across various devices. With a focus on detail and a commitment to delivering high-quality code, I work closely with clients to turn their vision into reality.

### Freelance Graphic Designer

August 2021 - Present (3 years 8 months)

Remote

As a freelance graphic designer, I partner with companies to create visually engaging and impactful designs. I specialize in branding, logo creation, and promotional materials, ensuring each project aligns with the client's vision and brand identity. With a keen eye for detail and a passion for creativity, I deliver high-quality graphics that effectively communicate messages and captivate audiences.
